MEMBERSHIP AND VOTING RIGHTS

Section 1. Every owner of a lot which is subject to assessment shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

Section 2. The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant and shall be entitled to one vote for each lot owned. When more than one person holds an interest in any lot, all such persons shall be members.

The vote for such lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any lot. No fractional vote shall be allowed.

Class B. The Class B member(s) shall be the Declarant and shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(a) when the total votes outstanding in Class A membership equal the total votes outstanding in Class B membership, but provided that the Class B membership shall be reinstated if thereafter and before the time stated in Sub-paragraph (b) below, such additional lands are annexed to the Properties without the assent of Class A members on account of the development of such additional lands by the Declarant, all as provided for in Article VII, Section 2, below, or

(b) December 31, 1992.

ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay

273-072986-1

BOOK 4091 PAGE 572

to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, cost and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents of the Properties and in particular for the acquisition, improvement and maintenance of the Common Areas, including the maintenance, repair and reconstruction of all docks, boating ramps, picnic areas, boating and swimming areas, subdivision entrance areas, sedimentation control and the services and facilities devoted to the use, enjoyment, and maintenance of the Common Areas, including but not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes and public assessments assessed against the Common Areas, the

procurement and maintenance of insurance in accordance with the By-Laws, the employment of attorneys to represent the Association when necessary, and such other needs as may arise.

Section 3. Maximum Annual Assessment. Lots. Until January 1, 1988, the maximum annual assessment shall be Sixty and 00/100 (\$60.00) Dollars per lot.

(a) From and after January 1, 1988, the maximum annual assessment may be increased effective January 1 of each year without a vote of membership by up to ten per cent (10%) of the previous year's maximum annual assessment.

(b) From and after January 1, 1988, the maximum annual assessment may be increased above the increase permitted in Section 3.(a) above by a vote of the members; provided that any such charge shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting setting forth the purpose of the meeting. The limitations hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

273-072986-1

BOOK 4091 PAGE 574

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, replacement, or maintenance cost of a capital improvement, upon the Common Areas, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action
Authorized Under Section 3 & 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 and 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

273-072986-1

BOOK 4091 PAGE 575

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis. Notwithstanding any provision in this Declaration, the Articles of Incorporation and By-Laws to the contrary, no lot shall be subject to the assessment until the first day of the month following the subsection of the lot to the provisions of this Declaration.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots as provided in Section 6 above. The first annual assessment for each lot shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the association setting forth whether the assessments on a specified Lot have been paid.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of 10 percent per annum. The Association

273-072986-1

BOOK 4031 PAGE 576

may bring an action at law against the Owner personally obligated to pay the same, and/or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages and Ad Valorem Taxes. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage and ad valorem taxes. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage or tax foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property. All properties dedicated to, and accepted by, a local public authority and all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

An easement is hereby established over the common areas and facilities for the benefit of applicable governmental agencies, public utility companies and public service agencies

as necessary for setting, removal and maintenance of light fixtures and water facilities, sewer and drainage facilities, fire fighting, garbage collection, emergency and rescue activities and law enforcement activities.

ARTICLE V

GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at Law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than ninety percent (90%) of the Lot

273-072986-1

BOOK 4091 PAGE 578

Owners, and thereafter by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners.

No amendment which would change or delete any provision herein required by Wake County shall become effective until submitted to and approved by the County; provided, however, if the County fails to approve or disapprove such amendment within thirty (30) days after the same has been submitted to it, such approval shall not be required and this covenant shall be deemed to have been fully complied with. Any amendment must be recorded in the Office of the Register of Deeds of Wake County, North Carolina.

Section 4. FHA/VA Approval. As long as there is a Class B membership, the following actions will require the prior written approval of the Federal Housing Administration or the Veterans Administration: Annexation of additional properties, dedication of Common Areas, and amendment of this Declaration of Covenants, Conditions and Restrictions.
